

The Danbury Museum Presents  
Mohonk Mountain House  
A Victorian Getaway  
Saturday, August 21, 2010

Join us for a day trip aboard a comfortable motor coach and enjoy the enchantment and beauty of the Victorian castle known as Mohonk Mountain House. It is America's oldest family owned resort. You will admire the acres of pristine forest, the hiking trails, the beautiful lake, the relaxation of the rocking chairs, the sumptuous picnic lunch overlooking the lake and so much more.

Anthony Bourdain from the Travel Channel states, "Mohonk Mountain House is a magical place that defies logic, reason and the 21<sup>st</sup> century. Its mammoth scale, pristine setting and undiluted Victorian charms would be impossible to replicate anywhere. A giddily delightful step backwards into a Golden Age and the best kind of surprise."

We will depart from the Danbury Museum at 43 Main Street at 8am on Saturday morning and travel to New Paltz, New York for our exciting adventure. Upon arrival, you will be free to explore the grounds and the facility until 12noon when we will meet and have lunch together as a group at the Granary. The Granary is an outdoor picnic facility overlooking the lake. What a picnic it is.... a variety of meat choices, vegetables, salads and desserts of all kinds. You can serve yourself for everything except the hot choices off the grill, so you can be assured to get all your favorites. After lunch, you will again enjoy free time to wander the gardens, find a comfortable spot to relax, shop in the gift shops, hike, take a boat ride or merely enjoy the scenery. At 3:30pm, the group will again meet to enjoy lemonade and cookies before departure at 4pm for the return trip home.

The total cost of the day is \$89 per person which includes motor coach ride, tip, lunch, lemonade and cookies and a couple of surprises. Return to Danbury will be between 5:30pm and 6pm. **Please make checks payable to: Kay's Tours, 125 South King Street, Danbury, CT 06811. Questions: call 203-790-8342.**
